# *In Memorium*

Almighty Father, who guards against evil, whose influence is forever lasting, and whose example is devinely followed; Help me in my quest for everlasting peace and help to defend me against wickedness in both theory and practice. Guide me through the stages of evil and tyranny and help me to appreciate the goodness of which thou offers. Remind me of my purpose, of my goals and of my accomplishments in both Sea Cadets and daily life. Help me to remember my responsibilities to my country, to my family, to the Sea Cadet Corps, and to my shipmates. For these, oh Lord, I ask to obtain the answer to my prayer and to follow whose guidance and forgiveness is wisest above all, Jesus Christ our Lord. Amen.

## *Dedication*

*Richard Haskell*  
*1966-1981*

i love my friend  
he is gone away from me  
there is nothing more i can say  
i love my friend

---

I look to the sea  
Reflections in the waves spark my memory,  
Some happy, some sad  
I think of childhood friends  
And the dreams we had.

# 1884 To 1984

## 1884

In 1884, the town of Bourne had 8 school districts. They were in Cataumet, North Pocasset, Monument Beach, Bourne, Buzzards Bay, Head of the Bay, Bournedale, and Sagamore. There were a total of 223 students enrolled between the ages of 5 and 15.

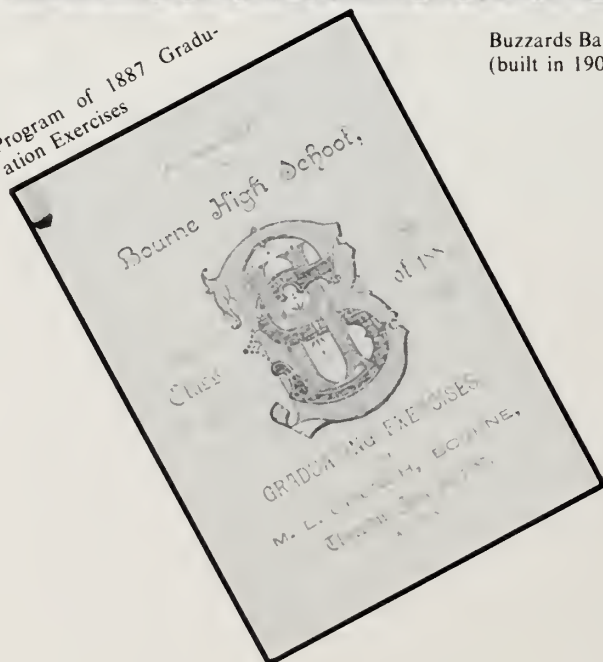

The new High School opened in 1905 with 59 students. That building is known today as Kempton J. Coady Jr. High School. In 1923, the high school had electric lights installed, which were desperately needed!

The present high school as we know it today was built in 1961 with 523 students from all seven villages.

# *Why Are These People Smiling??*

Because she heard her hair commercial

Because Kim saw a photographer

Because Tom learned to twiddle his thumbs

Russell isn't smiling, he is swatting a bug . . . on his face

Because Ralph got all the purple paint off his face

Well, Paul, we aren't going to ask.

## *Alma Mater*

From elm trees tall, soft shadows fall  
And speak to us of Bourne High.  
Loud voices raise, in songs of praise,  
For our dear old Bourne High.  
Remember all the friendships made,  
And memories that ne'er will fade.  
Through your ideas, we'll reach our goal,  
Bourne High, dear Bourne High.

And when from your loved doors we go,  
We'll go with pride because we know,  
Within your walls the lessons gained,  
Will help us all our goals attain.  
When we return, in later years,  
From far and wide we'll gather here,  
And sing our praise for all to hear;  
Bourne High, dear Bourne High
